Jaswant Singh, President and Chief Evangelist

Jaswant Singh is a technology executive with extensive experience. He has served as the Chief Technology Officer (CTO) for strategic accounts at IBM and Kyndryl in the United States. He has collaborated with Fortune 500 executives to drive business innovation and implement emerging technologies and digital transformation strategies.

Previously, Jaswant founded StrategiesTool.com and Suchna.com as the CTO. Additionally, he has earned a Chief Information Officer (CIO) Certification from the United States Federal CIO University. Jaswant graduated from the Indian Institute of Technology Bombay (IIT Bombay) and George Mason University (GMU).

Outside of his professional endeavours, Jaswant enjoys traveling with his family, volunteering to teach children, mentoring young professionals, and cooking for community kitchens. He previously served as the President of a cultural student body at IIT Bombay.
